

WCTC Website Layout

In the center of the page is the **WCTC logo**, which is red, blue, yellow, and green. The logo is a clickable link that takes visitors to the **About WCTC** page.

The About WCTC page includes:

- A brief overview of WCTC
- Mission and vision
- Contact information
- Important school resources

Surrounding the WCTC logo are the CTE programs I oversee:

- Video Production
- Child Studies
- Automotive
- Construction
- Criminal Justice
- Business
- Biotechnology

Each program name is a clickable link that takes visitors to a page dedicated to that program.

Each program page includes:

- Program overview
- Teacher photo(s) and contact information
- Course sequence/program pathway
- Certifications or credentials offered
- Career opportunities related to the program
- Student projects, accomplishments, or examples of student work

Also located around the logo or in a corner of the main page are additional resource links:

School Counselor

The School Counselor page includes:

- Counselor information and contact details
- Graduation requirements
- Course selection information
- Academic planning resources
- College and career planning resources

Leadership

The Leadership page includes:

- Information about the leadership program
- Student leadership opportunities
- Events and activities

Graduation Requirements

A dedicated page outlining:

- Credit requirements
- Required courses
- Graduation expectations
- Helpful planning resources for students and families

Program Sequences

A dedicated page showing the recommended course sequence for each CTE program so students can plan their pathway from freshman through senior year.

The overall design should be visually engaging, easy to navigate, and allow students, parents, and community members to quickly learn about WCTC programs, staff, graduation requirements, and student opportunities.
